### ***Acknowledgement of Liability Limitations and Assumption of Risk***

South Carolina law provides that governmental entities, including school districts and their agents or employees, are not ordinarily liable for property damage, personal injury or accidental death, except in instances of *gross negligence*. Accordingly, parents **assume risks any time students are permitted to travel and/or participate in school-related events**. The School District acknowledges that you are not waiving your child's or your personal rights, as defined under the liability limitations (outlined in the state's tort claims law) by signing this permission authorization. However, the **above-signed parent/guardian acknowledges disclosure that the School District reserves all rights, immunities, and qualified defenses available to it under the law in connection with the permitted activities subject of this authorization.**
