

# Meet The Teacher

Hello! My name is Ms. Fulton and I will be your child's 1<sup>st</sup>/2<sup>nd</sup> grade language arts/social studies teacher for the remainder of the school year. I am so excited about being a part of your child's learning! This semester is going to be full of fun, learning, and growth! I hope to learn so much about you and your "little people," but first I would like to tell you a few things about myself.

I am from Blythewood, South Carolina and I have recently graduated from Columbia College. I majored in Early Childhood and Elementary Education. For the past three years, I have been working as an after-school teacher in an elementary school. I have three sisters, one brother, and lots of dogs!

If you have any questions or comments, feel free to reach me at [sfulton@carolinaschoolforinquiry.org](mailto:sfulton@carolinaschoolforinquiry.org). Thank you,

**Ms. Fulton**
