

Meet The Guidance Counselor

Hello. My name is Anthony Bryant and I will be serving as the Guidance Counselor and Social Services Coordinator at CSI for the 2017-2018 school year. As Guidance Counselor, I plan to implement several programs and creative ways of learning which challenge and foster personal growth in each student. As Social Services Director, My goal is to connect business and community agencies in support of CSI through mentoring and/or resources.

About Me

I am originally from Georgia and relocated to Columbia, SC a few years ago. I previously worked in Lexington school district Five for six years before joining the awesome CSI family in March, 2017. My prior professions include....1. U.S. Army, 2. Corrections Officer, and 3. County/Highway Patrol Officer. I am soon to graduate from Northwest Nazarene University and have over 25 years of specialized training, schooling and certifications in youth and parent related issues. I have two adult children whom I love dearly.

My Philosophy

I believe that every child has their own unique abilities, talents, strengths and challenges that set them apart from one another. **As Guidance Counselor, I look at EVERY child in not where they are, but in what they can become.** “We cannot always build the future for our youth, but we can build our youth for the future”. Franklin D. Roosevelt.

My Favorites

I enjoy reading my bible, working out, fishing and playing basketball. My favorite food is seafood. I enjoy gospel music, jazz, old school r&b, old school hip-hop, and go-go music.
