

MEET THE TEACHER!

Ms. Jennifer Goodwin

The Basics!

Hey there! My name is Jennifer Goodwin. I will be your child's Co-Teacher for the upcoming 2017-2018 school year! This will be my 4th year in education & my first year at Carolina School for Inquiry! I can not wait to meet you in all of your brilliance!

I live in Lexington with my three children: Nicholas (the funny guy), Anna (the peacemaker), and Ava (the love-bug). We enjoy going to the movies, taking trips to the mountains and the beach and most of all enjoying friends and family. When a quiet moment comes along, I enjoy writing, reading and the outdoors.

MY CHILDHOOD!

I grew up in Sumter, South Carolina with my Dad, Mom and two sisters who also happen to be my best friends. I value them beyond words. Growing up in the rural south, there was always time for church, bike riding, road trips and BBQ's. Whenever my sister's were too busy to play, I played pretend with my stuffed animals and taught them all their ABC's, how to read and write!"
